E&T Students: You have TWO online resources for internship, co-op, and career opportunities!

(through IUPUI)

is your online resource for locating engineering and technology internship, co-op, and career opportunities

- Visit E&T Careers at www.etcareers.iupui.edu and click the circular path that says “ET Careers” in the middle.
- If you are a student, click on ET Careers for Students and log in using your IUPUI CAS log in.
- If you are an alum, click on the ET Careers for Alumni to create an account. Complete the Profile information. Your Account will be approved within 2 Business days.
- Upload your resume by hovering the cursor over the “Documents” tab then click on “My Documents”. You must have an uploaded resume to be able to apply for jobs. This can be done at the same time you create your profile or can be done at a later time.
- Search for Co-op, Internship, and Career Opportunities. ET Careers will allow you to search and apply for a variety of opportunities.
- Create a job search agent to be notified by email when new positions are posted matching your criteria.
- Keep your profile updated to ensure you don’t miss out on opportunities!
- Actively apply for jobs and on-campus interviews!

(through Purdue – West Lafayette)

is an additional online resource available to Purdue School of Engineering & Technology, IUPUI students

- Visit www.etcareers.iupui.edu From the menu select “For Students and Alumni” then click on the “My CCO” link.
- When logging on with the Purdue myCCO, you MUST use your 10 Digit Purdue ID. This is not the same as your 10 Digit IUPUI ID. Your Purdue ID is located in OneStart’s Student Center, scroll down to Personal Information and click the Demographic Information tab. The Purdue ID is listed as External System ID.
- Log in using your Purdue ID as both your user name and password.
- Be sure to read the “Participation Agreement” and “Cancellation and Missed Interview Policy” before checking “I Agree to Terms.”
- Upload your resume, your account is not active until you do so.
- Create Job Search Agents to notify you by email when new jobs matching your criteria are posted in myCCO.
- Apply for jobs and on-campus interviews! Keep in mind these on-campus interviews will be held in West Lafayette.
